What is What?

Excellus Medicare Seminar: Learn about Medicare Advantage HMO and/or PPO plans and Medicare Supplement Plans at this free seminar!

Family Movie Night: A free event that takes place in the Patterson Community Room on the first and third Friday of every month throughout the year. Free, unlimited popcorn is available during the movie. Sleeping bags, blankets, and pillows are encouraged for those who would like to bring them! New movies announced each month. Movies start at 6:00pm and no registration is required.

1-on-1 Technology Help: Our technology volunteer, Morgan, will sit down with you and address any technology issue you may be encountering with your device. The 1-hour time slots are reserved to answer questions and give you a one-on-one hands-on lesson to help you better understand your device. Please bring the computer, phone, or smart device you are having issues with. Sign up/Registration is required. Please call or visit the library to check the available time slots.

MakerClub: This group is focused on creating more opportunities for makers to develop creativity and confidence through autonomous decision-making. Weekly registration is required.

Maker Series: This program runs weekly throughout the academic school year and at varying times throughout the summer months. The program fosters a dynamic space where young people can get together and explore modern technology and items with which to invent. Some of these items include Legos, Keva Blocks, coding opportunities, robots, crafting supplies and imaginative creations.
***Weekly registration is required for these programs.**
***Monthly Registration is required for the monthly MakerSeries sessions on Tuesdays (Topics to be advertised ahead of time).**

Making It! For Adults Only: Have you ever wondered what MakerSpace is all about? Join us for an adult MakerSpace-type program designed to let you explore your creativity and relax with some coffee or tea in the process! Beginning November 28th!

A Matter of Balance: Many older adults experience concerns about falling and restrict their activities. This is an award-winning program designed to manage falls and increase activity levels through an emphasis on practical strategies to manage falls. Registration is Required.

Sensory Play for Babies & Toddlers: Children and caregivers will explore a variety of sensory activities designed to encourage early literacy. Ages 8 to 24 months. Preregistration is required, limited to 15.

Story Time: Join us year-round for a fun-filled read-aloud story and a themed craft every Wednesday (3yrs-5yrs) and Thursday (6mos-3yrs) from 10:30-11:15! Registration Required.

Tai Chi: Sponsored by the Livingston County Office for the Aging, Tai Chi combines slow moving with deep breathing and promotes increased strength, balance and posture among a variety of other benefits. Classes targeted for individuals 60 and older. These classes run for 8 weeks, 2 times/week for 1 hour.
