What is What?

Book Club Planning Event: Help us plan for 2019! Join us in the Patterson Community Room for coffee, tea, and light refreshments as we plan the new Livonia Library Book Club! Everyone is welcome! No sign-up or commitment required, we'd love to see you there!

Family Movie Night: A free event that takes place in the Patterson Community Room on the first and third Friday of every month throughout the year. Free, unlimited popcorn is available during the movie. Sleeping bags, blankets, and pillows are encouraged for those who would like to bring them! New movies announced each month. movies start at 6:00pm and no registration is required.

1-on-1 Technology Help: Our technology volunteer, Morgan, will sit down with you and address any technology issue you may be encountering with your device. The 1-hour time slots are reserved to answer questions and give you a one-on-one hands-on lesson to help you better understand your device. Please bring the computer, phone, or smart device you are having issues with. **Sign up/Registration is required.** Please call or visit the library to check the available time slots.

Making It! For Adults!: Have you ever wondered what MakerSpace is all about? Join us for an adult MakerSpace-type program designed to let you explore your creativity and relax with some coffee or tea in the process!

MakerClub: This group is focused on creating more opportunities for makers to develop creativity and confidence through autonomous decision-making. **Weekly registration is required for this program.**

MakerSeries: Series will build on knowledge or skills and revolve around projects that makers will work on and explore over a 4-week period with the same group of peers. Topics will change each month and are advertised ahead of time. Each series runs for 4 weeks, with a one-time sign-up at the beginning of each series for the 4-week period. ***Sign-up for each series opens at 10:00am on the Thursday of the final week of the current series.**

MakerSpace: This program runs weekly throughout the academic school year and at varying times throughout the summer months. The program fosters a dynamic space where young people can get together and explore modern technology and items with which to invent. Some of these items include Legos, Keva Blocks, coding opportunities, robots, crafting supplies and imaginative creations. **Weekly registration is required for this program.**

Sensory Play for Toddlers and Babies: Children and caregivers will explore various sensory activities encouraging early literacy. **Pre-registration is required.** Last Tuesday of every month.

Story Time: Join us year-round for a fun-filled read-aloud story and a themed craft every Wednesday (3yrs-5yrs) and Thursday (6mos-3yrs) from 10:30-11:15! **Registration Required.**
