

## HOW TO CHECK-OUT/CHECK-IN SEEDS:

1. The first step is to review the various seeds located in the Master Seed Catalog. The Master Seed Catalog is organized by flowers, herbs and vegetables.
2. Complete a Livonia Seed Library Membership form and return to circulation desk.
3. Pick out the seeds you are interested in growing. Limit of 2 packets per individual or 5 packets per household.
4. Take with you the instruction sheet associated with the seed varieties you have chosen.
5. Review the resources page at the end of this notebook. Take a picture or make a copy if you need additional guidance on growing some of your seed selections.
6. If you have specific questions and would like to reach out to a gardener please e-mail the following adding SEED LIBRARY to subject line: **[microgreenonmain@gmail.com](mailto:microgreenonmain@gmail.com)**
