

WHAT IS A SEED LIBRARY?

The Livonia Seed Library is a free program committed to increasing our ability to feed ourselves wholesome food by offering seeds and education.

Through the time-honored tradition of seed saving we celebrate biodiversity, nurture locally adapted plant varieties, foster community resilience, self-reliance, and a culture of sharing.

To keep the Seed Library going, please consider donating a packet or two of fresh, commercially grown, open-pollinated (nonhybrid, nonGMO) seed to keep our library stocked.
